To try to limit the effect of such lambings/kiddings or abortions, the Show Secretary will report them immediately to the local DVM to allow a visit to the showground by an Animal Health/Vet Officer who can then conduct an enquiry and more easily identify the animals put at risk. Please indicate on the entry form which category is required to enable the correct penning to be provided. 1. C.A.E. Negative tested goats. 2. B.G.S. Monitored Scheme goats.
